

# Keeping YOU in the know!

Message from Your President

In 2009 the Iowa Watercolor Society warmly welcomed me when my family relocated from Georgia to Iowa. In 2020, with the Vice President position needing to be filled, it seemed only fitting that it was time for me to give back to this fine organization. And now, although my husband and I have relocated upon his retirement, from IA to WI, I am honored to be serving as your President for the next two years.

This has always been and continues to remain a very busy organization! Offering both spring and fall workshops, spring and fall miniature shows, a virtual members' show, our annual fall juried exhibition and a year long traveling show, there are numerous opportunities for YOU, our members, to be involved and grow as artists!

As your President, I want to be sure that our events and happenings are both inspiring and inclusive to all our members across the entire state of Iowa. Communication is key! To that end I am happy to share that we are bringing back quarterly newsletters! With members spanning the entire state of Iowa, what better way to share highlights of both our recent and upcoming events and happenings! So, grab that cup of coffee or glass of wine and enjoy this newsletter.

Let's have a very creative 2023 together!!

~ Jean
